How to play on the piano

1. RIGHT thumb starts on G. Can you find all the Gs on the piano?
2. Read the numbers above the notes.
3. Can you play slowly and keep a steady beat? Can you play fast?

How to play on the recorder

1. Remember: LEFT hand on top! (Mrs. Otten says this is SUPER important!)
2. Make sure your thumb hole is always covered, and you ADD fingers on top.
3. GENTLE air. Let it barely leak out.
4. Use your tongue to say, "tu-tu-tu" to separate the notes
